I. INTRODUCTION

The New York State (NYS) Division of Criminal Justice Services (DCJS) seeks applications for the Sexual Assault Crisis and Prevention Program to support the work of rape crisis service providers throughout the state. The program provides victims of sexual assault a range of support services within their communities aimed at the prevention of and response to rape and sexual assault. Approximately \$6.5 million will be made available from appropriations included in the 2017-18 enacted budget to support rape crisis programs throughout New York State.

The Sexual Assault Crisis and Prevention Program is designed to supply crucial funding to rape crisis service providers in New York State. This funding may be utilized by eligible applicants to enhance existing support services for victims of sexual assault, as well as programs and activities to prevent rape and sexual assault.

The NYS Division of Criminal Justice Services (DCJS) will serve as the administering agency for the Sexual Assault Crisis and Prevention Program. DCJS enhances public safety by providing resources and services that inform decision making and improve the quality of the criminal justice system. DCJS is a multi-function criminal justice support agency with a variety of responsibilities, including collection and analysis of statewide crime data; operation of the DNA databank and criminal fingerprint files; administration of federal and state criminal justice funds; identifying and funding programs that reduce crime, recidivism, and victimization. Additionally, DCJS administers the state's Sex Offender Registry. DCJS conducts research on critical criminal justice issues and provides training, legal guidance and regulation to the State's law enforcement, community corrections and prosecution communities.

DCJS is committed to supporting programs that improve the effectiveness of New York's justice system. Applications will be rated and selected for funding consistent with the best interest of the State.

II. ELIGIBILITY, FUNDING AND CONTRACT TERM

A. Eligibility Requirements

Not-for-profit organizations and governmental entities meeting the following criteria are eligible to apply under this solicitation:

Category 1 – New York State Department of Health (DOH) approved Rape Crisis and Sexual Violence Prevention programs. Rape Crisis and Sexual Violence Prevention programs that are not currently approved by DOH may apply if they received SFY 2016-17 funding to support rape crisis services through the *DCJS Sexual Assault Rape Crisis and Prevention Program*. However, if awarded a grant, the recipient(s) will be required to obtain DOH approval prior to any contract renewals after the first one-year contract period.

Category 2 – The following organizations designated to provide support and technical assistance to rape crisis programs in 2015 by the New York State Department of Health:

- a. New York State Coalition Against Sexual Assault
- b. New York City Alliance Against Sexual Assault

B. Funding Availability and Approved Use of State Funds

Approximately \$6.5 million will be made available from appropriations included in the 2017-18 enacted budget to support rape crisis programs throughout New York State. All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by state or federal law.

All funding must support program efforts that will be accomplished during the contract period. Funding under this program must supplement, not supplant, non-grant funds that would otherwise be available for expenditure on the programs and activities proposed.

Eligible applicants may apply for funding up to the amounts specified in *Appendix: Sexual Assault and Crisis Funding Allocations by Program*. These amounts were determined through use of a weighted formula which utilizes the following county-level data points to assess the comparable need for rape crisis services across New York State: population, Uniform Crime Reporting (UCR) data for sex offenses, UCR data for rapes, emergency department visits for sexual assault, and DOH advocacy service counts.

The Sexual Assault Crisis and Prevention Program is intended to provide resources for rape crisis programs in New York State to support victims of sexual assault as well as rape prevention initiatives. Permissible expenses include, but are not limited to, personnel, travel, supplies, and equipment in support of community outreach and professional training, sexual assault victim advocacy, counseling, education, and accompaniment through all processes of the criminal justice system, including forensic exams and court appearances. Some expenses, such as rental expenses, indirect costs, communication expenses, and advertising may be allowable subject to the review of expense justifications.

Applicants identified as Category 2 in the RFA in Section II may also include expenses related to statewide/citywide training, technical assistance, research, and resource development.

C. Contract Term

Grant award agreements, unless otherwise modified by DCJS, will be for a term of one year effective October 1, 2017, to September 30, 2018, with one optional one-year renewal.

III. PROGRAM DESCRIPTION

Administered in collaboration with DOH and the New York State Office of Victim Services, the DCJS Sexual Assault Crisis and Prevention Program provides resources for rape crisis programs throughout New York State to make supportive services available to victims of sexual assault and advance programs and activities to prevent rape. These funds may be utilized to sustain existing services as well as to expand or develop programs supporting victims in the applicant's catchment area.

The Sexual Assault Crisis and Prevention Program aims to address the varying and distinct needs of victims throughout New York State. Applicants are encouraged to submit projects consistent with the particular needs of their communities. Applications may include, but are not limited to, projects aimed at underserved populations, culturally specific groups, and college campuses. Allowable project expenses may relate to the provision of direct services to victims, community outreach, professional training, accompaniment and advocacy for victims with cases in civil and/or criminal courts, as well as rape prevention initiatives.

Applicants identified as Category 2 in RFA Section II, Eligibility, must submit projects aimed at supporting rape crisis agencies and their advocates throughout New York State in providing comprehensive, coordinated, culturally competent, high quality sexual assault intervention and prevention services to their communities, as well as enhancing victim safety and offender accountability through appropriate responses to sexual violence.

IV. EVALUATION AND SELECTION OF APPLICATIONS

Tier I Evaluation – Threshold Pass/Fail

The Tier I Evaluation assesses whether applications satisfy minimum “pass/fail” criteria for funding. DCJS may, at its discretion, request additional and/or clarifying information from an applicant as deemed necessary. All applications will be initially screened by DCJS reviewers to determine their completeness using the following criteria:

- *Application* was submitted by the published deadline;
- Applicant is eligible as defined by this solicitation; and
- Applicant is eligible and pre-qualified in the Grants Gateway. (*This pre-qualification requirement applies only to not-for-profit applicants.*)
- The submitted application shall include:
 - Answers to all questions as presented;
 - Budget detail and justification provided in GMS itemizing operating expenses in support of the program;
 - Completed Program Work Plan, where instruction has been provided; and
 - All attachments and required documents. (See Checklist at the end of this document.)

Tier I Evaluation criteria will receive pass/fail ratings. Any application that does not meet each of these conditions may be subject to disqualification from further review.

Tier II Evaluation – Evaluation and Scoring

DCJS staff reviewers will evaluate applications that successfully pass the Tier I Evaluation. A standard rating tool will be used to score responses to questions provided in the application. See Section V, *Request for Applications* for additional information.) The maximum application score will be 100 points. Applicants must attain a minimum score of 70 points in order to be eligible for funding. Each response will be scored and all scores will be totaled, resulting in an overall score. The final score will be determined by averaging Team Reviewers' overall scores for each application. Also, in the event of a substantial scoring disparity of total available points, an additional reviewer will rate the affected applications, and the average of all of the scores will determine the final average score of the application. In the event of a tie score among applicants, and where both applicants cannot be selected, an additional reviewer will rate the affected applications and the average of the scores would represent the final score.

Tier III Evaluation

The Tier III Evaluation assessments will be conducted by designated DCJS executive staff. The Tier III Evaluation will select applicants for funding and determine award amounts through consideration of the Tier II Evaluation scoring and comments, strategic priorities, available funding and best overall value to New York State.

Final award decisions will be made by DCJS in accordance with the best interests of the State. Nothing herein requires DCJS to approve funding for any applicant.

The DCJS' Executive Deputy Commissioner, or his designee, will make final decisions regarding approval and individual award amounts based on the quality of each submission, the recommendations of the reviewers, and the specific criteria set forth in this solicitation.

V. REQUEST FOR APPLICATIONS QUESTIONS

Applicants must respond to the questions below within the DCJS Grants Management System (GMS) as instructed. **GMS instructions are located as an *Appendix* to this solicitation.**

Please prepare prospective responses in a Microsoft Word Document using Ariel, 11-point font and 1.5-line spacing. Responses should then be copied and pasted to GMS under the *Questions* module "tab" of the application. Applicants are also required to attach the Microsoft Word document with responses to these questions using the *Attachments* module on GMS. The maximum number of pages allowed for each question is indicated.

Responses to the following questions will be scored and are the basis for Tier II Evaluation funding recommendations. Note: The aggregate scoring value assigned to all questions equals a total possible score of 100 points. Applicants must attain a minimum score of 70 points in order to be eligible for funding. All questions, including sub-sections and those which have no point value, must be answered.

Program Narrative and Budget Questions:

Question #1 - (0 points) If your organization is not currently approved by the NYS Department of Health as a Rape Crisis and Sexual Violence Prevention program, please describe your plan to obtain approval prior to the end of the first contract term if awarded a grant by DCJS.

Question #1a - Eligibility Justification (20 points) - Not to exceed 300 words

Provide a brief description of how your agency qualifies to apply for this funding.

Question #2 Project Description (30) – Not to exceed one page.

Provide a succinct description of the proposed project.

Question #3 Work plan (30 points)

The Work Plan must be entered directly into the work plan module "tab" of the GMS application. Work plans are comprised of the project Goals, Objectives, Tasks and Performance Measures. Each element is hierarchical and should be directly related to, and flow from, the prior element.

Goals - Goals are broad statements of what the program intends to achieve. Depending on scope, organizations should identify 1-3 goals per project.

Objectives - Objectives are desired end points for the proposed project and should relate directly to advancing the identified goal. Approximately 1-4 objectives should be identified for each goal.

One model for creating objectives is the S.M.A.R.T. model, which means that objectives should be:

- **S**pecific - target a specific area for improvement.
- **M**easurable - quantify an indicator of progress.
- **A**chievable - neither out of reach nor below standard performance.
- **R**elevant - targets must support or be in alignment with the goal.
- **T**imed - specify when the result(s) can be achieved.

Tasks - Tasks are steps taken to achieve the stated objectives for the project. They are, generally, a sequence of activities that together lead to attainment of the project objectives. Tasks should define what primary steps and activities will be accomplished, who will accomplish them, and how they will be carried out. Only include the minimum number of substantive steps and activities that are essential for achieving each objective.

Performance Measures - Performance measures are indicators of the work performed and the results achieved in an activity. Performance measures reflect the level of performance over time expressed as a tangible, measurable accomplishment, which can be measured and compared to the target level of achievement identified in the objective. Measures should directly reflect those tasks being accomplished by individuals working for or on behalf of the program. Performance measures should not be based on the decisions and actions of victims/survivors. Each task should have a minimum of 1 related performance measure.

Work plans will be evaluated for consistency with the issues identified in the Problem Statement and Identified Needs section above and how clearly applicants connect all of the essential elements of the work plan.

Question # 4 - Operating Budget Detail and Justification (20 points)

- ✓ Applicants must refer to Appendix: *Sexual Assault Funding by County* to locate the award amount for which they are eligible for under this funding.
- ✓ Enter the operating budget directly into the **Budget** module “tab” of the GMS application. Operating budgets should project total costs for the contract period and must not exceed the applicant’s eligible award amount if provided.
- ✓ A detailed budget for the grant period provided must be complete and provide sufficient detail. It must also be reasonable and appropriate, as determined by DCJS, and directly tied to the work plan. For proposed subcontractor’ agencies to provide services, where applicable, upload any signed and executed agreements and the proposed subcontractor’s operating budget using the **Attachment** Module on GMS.
- ✓ Using Appendix: Budget Detail Worksheet and Narrative sheet as a guide, prepare a line item budget, including justification, by appropriate category of expense (e.g., Personnel, Fringe Benefits, Consultants, etc.). Budgets should reflect total projected costs for a 12-month contract period and be limited to eligible costs.

Note:

Not-for-Profit Organizations: Funding for indirect costs, including administrative, is capped at a rate of 15%. Governmental Entities: Indirect costs are not an allowable expense for governmental entities.

VI. NOTIFICATION OF AWARDS

Applicants approved for funding will be notified in writing by DCJS via email to the email address provided in GMS. The terms of the final contract agreement are subject to negotiation between DCJS and the grantee.

In the event that DCJS and the successful applicant cannot agree to contract terms within ninety days of notification of selection for award, DCJS reserves the right to rescind the award and redistribute the funds.

For those not approved to receive funding awards, notifications will be both emailed to the contact person and sent by U.S. Postal Service mail.

A debriefing is available to any applicant that submits an application in response to this solicitation and was not successful in receiving an award. Applicants will be accorded fair and equal treatment with respect to an opportunity for a debriefing. A debriefing shall be requested in writing by the unsuccessful Applicant within 15 calendar days of being notified in writing by DCJS that the Application was not selected for an award.

An unsuccessful Applicant's written request for a debriefing must include specific questions that the Applicant wishes to be addressed, and must be submitted to DCJS via the funding mailbox at dcjsfunding@dcjs.ny.gov with the following in the subject line: **Request for Debriefing Sexual Assault Crisis and Prevention Program**. The debriefing shall be scheduled to occur within 30 business days of receipt of written request by DCJS or as soon after that time as feasible.

Encouraging Use of New York State Businesses in Contract Performance

New York State businesses have a substantial presence in State contracts and strongly contribute to the economies of the State and the nation. In recognition of their economic activity and leadership in doing business in New York State, applicants for this solicitation are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract(s) resulting from this solicitation. Such partnering with New York State businesses may be as subcontractors, suppliers, protégés or other supporting roles. To assist in demonstrating commitment to the use of New York State businesses in the performance of the contract(s), all applicants must complete the form provided on the DCJS website at <http://www.criminaljustice.ny.gov/ofpa/forms.htm> entitled: *Encouraging Use of New York State Businesses in Contract Performance* and submit the completed form as an attachment to the their application in GMS. There are no points attributable to this component of the application.

Use of Service-Disabled Veteran-owned Business Enterprises in Contract Performance

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-

Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf.

Bidders/proposers need to be aware that awardees will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Furthermore, awardees are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law. Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects awardees to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

Bidders/proposers can demonstrate their commitment to the use of SDVOBs by responding to the questions on the form located at http://www.criminaljustice.ny.gov/ofpa/pdfdocs/Veteran_Owned_Business_Form.pdf and attach the completed form, along with your Application, to the NYS Division of Criminal Justice Services' Grants Management System (GMS). There are no points attributable to this component of the application.

Standard Contract Provisions

Any contracts negotiated as a result of this solicitation will be subject to the provisions of Appendix A, Appendix A-1, and Appendix M, which contain the standard clauses for all New York State grant contracts with DCJS. Appendices are available on the DCJS website at <http://www.criminaljustice.ny.gov/ofpa/forms.htm>.

Minority and Women-Owned Business Enterprises (M/WBE) and Equal Employment Opportunity (EEO) Requirements

DCJS recognizes its obligation under New York State Executive Law Article 15-A to promote opportunities for the participation of certified minority-and women-owned business enterprises (M/WBEs), as well as the employment of minority group members and women in the performance of DCJS contracts.

Contracts in excess of \$25,000 require grant recipients to document good faith efforts to provide meaningful participation by M/WBEs as subcontractors or suppliers in the performance of grant contracts, as well as the employment of minority group members and women.

Accordingly, applicants requesting in excess of \$25,000 must be prepared to submit a Local Assistance M/WBE Subcontractor/Supplier Utilization Proposal Form (DCJS-3301), and a Local Assistance M/WBE NPS Discretionary Budget Determination Worksheet (DCJS-3309). For contracts in excess of \$250,000 applicants must also submit an M/WBE Equal Employment Opportunity Staffing Plan (DCJS-3300). All forms are located at <http://www.criminaljustice.ny.gov/ofpa/mwbe/index.htm>.

DCJS will review the submitted Local Assistance M/WBE Equal Employment Opportunity Staffing Plan, the Local Assistance M/WBE Subcontractor/Supplier Utilization Proposal Form, Local Assistance M/WBE NPS Discretionary Budget Determination Worksheet, and Minority and Women-Owned Business Enterprises and Equal Employment Opportunity Policy Statement and advise the applicant of DCJS' acceptance once an award determination is made. For additional information regarding M/WBE requirements see also <http://www.criminaljustice.ny.gov/ofpa/forms.htm>. There are no points attributable to this component of the application.

Vendor Responsibility

Not-for-Profit organizations that are receiving an award of \$100,000 or greater are required to complete an updated Vendor Responsibility Questionnaire. The questionnaire and additional information are available on the NYS Office of State Comptroller website: http://www.osc.state.ny.us/vendrep/vendor_index.htm.

Charities Registration

Not-for-Profit organizations must also ensure that their filing requirements are up-to-date with the Charities Bureau of the NYS Attorney General's Office. Further information on the registration requirements may be obtained at the Attorney General's website: <http://www.charitiesnys.com/home.jsp>.

Data Universal Numbering System (DUNS) Registration Requirements

All DCJS funding applicants are required to provide a DUNS number. If you are unsure whether or not your organization has a DUNS number, check with your Fiscal Officer. New applicants will enter the DUNS number in GMS while completing the Participant section; existing DCJS grantees whose DUNS number is not already on file should email the number to funding@dcjs.ny.gov to have it entered by DCJS staff prior to submission of the application. Any organization needing a DUNS number can register through the following link: <http://fedgov.dnb.com/webform>. Please note the process of requesting and receiving a DUNS number and/or having it entered into GMS by DCJS staff will require additional time. It is strongly recommended that applicants begin this process early.

This will prompt a drop down list that defaults to "Grantee." Click "Add." If there will be a separate Implementing Agency, repeat the process, choosing "Implementing Agency" as the Participant Type. In the event your agency is not listed, click the "New" button to add your agency to our database. Please complete all required information on the screen, including the Employer Identification Number (EIN) before you SAVE the entry. GMS will only allow one attempt then locks the entry to edits. Should you still need additional information added to the Participant record, please call GMS Help at (518) 457-9787.

Scroll to the bottom of the screen to add contact information. Click on "Add Contact" and in the search prompt that appears type in the last name of the person to be added. This should take you to a list. Find the person to be added and click in the blue section of the name. This will prompt a drop down list that defaults to "Primary." Ensure you do this until you have added a minimum of three contacts: Primary, Signatory and Fiscal. In the event that the contact you are attempting to add does not appear in a search, click the "New Contact" button to add the contact to our database.

Note: If the signatory you try to add is not eSignature registered, you will get an error message and will not be allowed to add that person at that time. You will NOT be able to submit the application without a signatory attached.

Attachments -

Click on “Attachment,” and upload the required attachments for this solicitation. Note: Follow the instructions in the GMS User’s Manual for Attachments; also, see screen instructions for accepted file types and advice on file names.

Remember: Failure to submit required documents will be considered the same as failure to meet the deadline for application submission. This may result in a non-award due to the application being untimely.

When all requirements are completed, click the “Submit” button. If any fields are missing, a report will display what remains to be completed. Once all fields are complete and the application is submitted, GMS will display a screen that says “*Your application has been submitted.*” In addition, GMS will send an email notification to the Signatory official listed on the application to make him or her aware that an application has been submitted on your jurisdiction’s or organization’s behalf.
