I. INTRODUCTION

The New York State Division of Criminal Justice Services (DCJS) seeks applications under the Byrne State Crisis Intervention Program (Byrne SCIP) for the creation and/or implementation of Extreme Risk Protection Order (ERPO) programs, state crisis intervention court proceedings, prevention programming related to mental and behavioral health, and related gun violence prevention and reduction programs/initiatives. As authorized by the Bipartisan Safer Communities Act of 2022, Byrne SCIP provides formula funds to implement state crisis intervention court proceedings and related programs or initiatives, including, but not limited to, extreme risk protection order programs that work to keep guns out of the hands of those who pose a threat to themselves or others, mental health courts, drug courts, veterans treatment courts, and suicide prevention programs. Approximately \$9,813,053 is expected to be made available to fund approximately 30-100 projects throughout New York State. Should additional funding become available, DCJS intends to meet as much of the requested needs as possible.

DCJS enhances public safety by providing resources and services that inform decision making and improve the quality of the criminal justice system. DCJS is a multi-function criminal justice support agency with a variety of responsibilities, including collection and analysis of statewide crime data; operation of the DNA databank and criminal fingerprint files; administration of federal and state criminal justice funds; and the identification and funding of programs that reduce crime, recidivism, and victimization.

DCJS is committed to funding programs that improve New York's public safety and the effectiveness of New York's justice system. Applications will be rated and selected for funding consistent with the best interest of the state. Applicants are encouraged to demonstrate in their response to this solicitation how their application supports New York's commitment to public safety.

E. Contract Term

Unless otherwise modified by DCJS, the anticipated contract period for this grant opportunity will be for up to 18 months, with a tentative start date of January 1, 2025. Contracts may not start

before July 1, 2024. Up to three (3) 12-month no cost extensions may be granted, on a case-by-case basis. Please be aware that if new contracts are awarded after this RFA, new contract conditions may be applied if the Federal Government changes any of the conditions previously included.

DCJS reserves the right to prioritize funding for less than \$10K jurisdictions (see Attachment A for eligibility) in an effort to meet federal funding requirements under this award.

III. PROJECT DESCRIPTION

It is expected that responses to the RFA may result in a combination of one or more of the eligible programs. Applicants will be encouraged to request funding for programs that are evidence-based and/or promising practices. DCJS strongly encourages the use of data and evidence in policymaking and program development for criminal justice. For additional information and resources on evidence-based programs or practices, see [Crime Solutions.gov](https://www.crimesolutions.gov). Pilot programs will also be considered under this funding opportunity. Awards will be prioritized based on the eligible program areas with the last area of focus being equipment purchases. Additionally, applications should clearly demonstrate a connection to gun violence reduction/initiatives and prevention.

More information on the FY22-23 Byrne SCIP federal funding program can be found by accessing the Frequently Asked Questions here: <https://bja.ojp.gov/doc/byrne-scip-faq.pdf>.

IV. EVALUATION AND SELECTION OF APPLICATIONS

Tier I Evaluation

The Tier I Evaluation assesses whether applications satisfy minimum “pass/fail” criteria for funding. All applications will be initially screened by DCJS, or other reviewers assigned by DCJS to determine their completeness using the following criteria:

- Application was received by the published deadline.
- Applicant is eligible as defined by this solicitation.
- Applicant is an eligible unit of local government or state court partner.

To pass Tier I, the submitted application shall include:

- Answers to all questions 1-4 as presented in this RFA. Questions must be answered in the Questions tab of GMS and include a Word copy attachment in GMS. Responses to questions may be reviewed to determine applicant and/or project eligibility.
- Budget detail and justification provided in GMS Budget tab itemizing and justifying eligible expenses in support of the project.
- Completed Project Work Plan.
- All attachments and required documents.

Any application that does not meet each of these conditions may be subject to disqualification from further review. If sufficient funding is available to fund all eligible applicants that pass Tier I evaluation, DCJS reserves the right to forego further evaluation and award eligible applicants with awards contingent upon successful negotiation of budget items during contract development.

Tier II Evaluation

DCJS reviewers, or other reviewers assigned by DCJS, will evaluate applications that successfully pass the Tier I Evaluation. If further evaluation is deemed necessary or appropriate, a standard rating tool will be used to score responses to questions provided in the application (see *Questions* section for additional information). The maximum application score based upon responses to the questions will be 100 points. Each response will be scored, and all scores will be totaled resulting in an overall score. The final score will be determined by averaging the reviewers' overall scores for each application. DCJS may, at its discretion, request additional information from an applicant as deemed necessary. In the event of a scoring disparity between reviewers of 15 or more points of the total available points, an additional reviewer may rate the affected application and the average of all the scores will determine the final average score of the application. In the event of a tie score among applicants, and where both applicants cannot be selected, the applicant with the highest score on the following section(s) will be given priority:

- First Tiebreaker- Applicant score on Question #2
- Second Tiebreaker- Applicant score on Question #3
- Third Tiebreaker- Applicant score on Section - Question #4

Tier III Evaluation

The Tier III Evaluation will be conducted by designated DCJS staff. During the Tier III Evaluation, applicants shall be selected for funding and award amounts shall be determined through consideration of some, or all the following: Tier I eligibility review, Tier II Evaluation scoring and

comments, strategic priorities, overall risk score of each application, available funding, and best overall value to New York State. NYS DCJS is required, under the terms of this funding, to ensure required pass-through dollars to Less than \$10K jurisdictions (Appendix A) across the state. Therefore, less than \$10K awards will be prioritized and funded first, until the pass-through requirement is met, before other jurisdictions are awarded. All applications will be scored according to the guidelines described in this funding opportunity.

Final award decisions will be made by DCJS in accordance with the best interests of the State. Nothing herein requires DCJS to approve funding for any applicant.

The DCJS Commissioner, or their designee, will make final decisions regarding approval and individual award amounts based on the quality of each submission, the recommendations of the reviewers, specific criteria set forth in this solicitation and, where applicable, geographic balance and comparative crime and/or risk level. Awards must be approved by the Division of the Budget and may also require Attorney General and Office of the State Comptroller approval. ***All awards are subject to availability of Federal funds.***

V. REQUEST FOR APPLICATIONS QUESTIONS

Any application that does not meet each of the requirements named in this RFA **shall be subject to disqualification** from further review. See RFA Section V. *Evaluation and Selection of Applicants* for additional information.

RFA Questions

Applicants must respond to the questions below within the DCJS electronic grants management system - GMS, as instructed. GMS instructions can be found as an Appendix to this solicitation.

First, please **prepare responses to questions in a Microsoft Word Document using Arial, 11-point font and 1.5 line spacing**. Responses should then be copied and pasted to GMS under the *Questions* "Tab" of the application. Applicants are also required to attach the Microsoft Word document with responses to the questions using the *Attachments* Tab on GMS.

Responses to the questions will be scored as necessary and are the basis for Tier II Evaluation funding recommendations. Note: The aggregate scoring value assigned to all questions equals a total possible score of 100 points.

Summarize the proposed project, including its purpose, primary activities/deliverables, geographic area where funds will be utilized, intended beneficiaries, anticipated outcomes and impact, and how the project will address one or more of New York’s Byrne SCIP Program goals.

1. Problem Statement (25 maximum points)

What problem or issue are you trying to address? Provide justification of the need to address the problem through use of current state or local data and information at the level of the project (i.e., not national). Your response should address:

- A description of the problem in terms of causes and consequences. Articulate why this problem should be addressed.
- The extent and nature of the problem in your target population and/or community.
- Provide a description of how addressing the problem is likely to positively impact New York’s Byrne SCIP Program goal of focusing on gun violence and the programs and initiatives that target the risk factors that are likely to lead to this kind of violence. The goal of this funding opportunity is to reduce gun violence and save lives, and to make progress toward keeping guns out of dangerous hands. This Bipartisan Safer Communities Act of 2022 “invests in antiviolence programs that work — that work directly with the people who are most likely to commit these crimes or become victims of gun crimes.”
- Explain why you are requesting grant funds; did you experience a loss of funding, is this a new program or initiative, are you seeking to expand an existing program or initiative, etc.?

2. Project Plan (25 maximum points)

Describe the plan to create and/or implement New York’s Extreme Risk Protection Order (ERPO) law, including, but not limited to, extreme risk protection order programs that work to keep guns out of the hands of those who pose a threat to themselves or others, state crisis intervention court proceedings and related programs or initiatives such as mental health courts, drug courts, veterans treatment courts, prevention programming related to mental and behavioral health, gun violence reduction or prevention programming and initiatives, and/or suicide prevention programs. Your response should address:

- The purpose of the project, including how it addresses the problem identified in the problem statement, and the goals of the project.

- Anticipated outcomes and impact of the project, including intended beneficiaries and geographic area where funds will be utilized.
- A description of how the project will address one or more of New York’s Byrne SCIP Program goals of focusing on gun violence and the programs and initiatives that target the risk factors that are likely to lead to this kind of violence.

3. Implementation Plan (25 maximum points)

Describe the steps that will be taken to implement program(s)/initiative(s), activities/deliverables, how funds will be used, project roles and responsibilities, and timeline. Your response should address:

- Steps to be taken to implement proposed program(s) and/or initiative(s), including specific activities/deliverables throughout the grant period.
- How grant funds will be used to carry out the proposed project plan, including a timeline to ensure that spending occurs during the term.
- How other resources, including other funds aside from these requested grant funds and collaborations, which are needed as identified in the project plan, will be or have been secured for the proposed project.
- Who will be responsible for this project overall and who will be responsible for individual steps, if different.
- How you will evaluate your progress throughout the grant period to know if you remain on track or if changes need to be made due to unexpected challenges.

4. Operating Budget Detail and Justification (maximum 20 points)

Using the Budget Detail Worksheet and Budget Narrative sheet as a guide, enter the allowable costs in the operating budget directly into the Budget “Tab” of the GMS application. Prepare a line-item budget, including justification, by appropriate category of expense (i.e., Equipment, etc.). Budgets should reflect total projected costs for an 18-month contract period and be limited to eligible costs as described in the RFA.

- If a paid trainer is to deliver training, the cost should be listed in the budget category as “Consultant Services.” Training materials should be listed under the “Supplies” budget category.

- **Consultant Services:** All consultant services must be obtained in a manner that provides for fair and open competition. The rate for a consultant should not exceed \$650 for an eight-hour day (not including travel and subsistence costs). A rate exceeding \$650 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided, and expenses are reasonable and allowable. A grant award recipient obtaining consultant services that cost in excess of \$10,000 must use a competitive bidding process. A grant award recipient who proposes to obtain consultant services from a vendor without competitive bidding will be required to obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins, and regulations of the NYS Office of the State Comptroller and the State Procurement Council.

The detailed budget for the grant period must be complete and provide sufficient detail to justify expenditure. It must also be reasonable and appropriate, as determined by DCJS, and directly tied to the Work Plan and vulnerabilities identified in the vulnerability assessment. For subcontracted agencies approved to provide services, where applicable, upload signed and executed agreements and the subcontractor's approved operating budget using the Attachment Tab on GMS.

5. Workplan (maximum of 5 points)

Complete the project work plan in the Work Plan tab of GMS.

VI. NOTIFICATION OF AWARDS

Applicants approved for funding will be notified in writing by DCJS to the email address provided in GMS. The terms of the final contract agreement are subject to negotiation between DCJS and the grantee.

For those not approved to receive funding awards, notifications will be sent to the contact email address provided in the Grants Management System.

Pursuant to section 163(9) (c) of the State Finance Law, any non-awarded applicant may request a debriefing regarding the reasons that the Application submitted by the applicant was not selected for award. Requests for a debriefing must be made within fifteen (15) calendar days of written notification by DCJS that the application(s) submitted by the applicant was not selected for award.

An unsuccessful Applicant's written request for a debriefing must include specific questions that the Applicant wishes to be addressed. The debriefing shall be scheduled to occur within 30 business days of receipt of written request by DCJS or as soon after that time as feasible.

The method for the debriefing will be based upon mutual agreement by all parties and can be conducted via telephone, webinar, videoconference or if necessary, in-person or any combination thereof may be arranged.

Encouraging Use of New York State Businesses in Contract Performance

New York State businesses have a substantial presence in State contracts and strongly contribute to the economies of the State and the nation. In recognition of their economic activity and leadership in doing business in New York State, applicants for this solicitation are strongly

encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract(s) resulting from this solicitation. Such partnering with New York State businesses may be as subcontractors, suppliers, protégés or other supporting roles. To assist in demonstrating commitment to the use of New York State businesses in the performance of the contract(s), all applicants must complete the form provided on the DCJS website entitled: [Encouraging Use of New York State Businesses in Contract Performance](#) and submit the completed form as an attachment to their application in GMS. There are no points attributable to this component of the application.

Use of Service-Disabled Veteran-owned Business Enterprises in Contract Performance

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at <https://online.ogs.ny.gov/SDVOB/search>.

Bidders/applicants need to be aware that all authorized users of this contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Furthermore, bidders/applicants are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law. Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public sector projects that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects bidders/applicants to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

Standard Contract Provisions

Any contracts negotiated as a result of this solicitation will be subject to the provisions of the Master Grant Agreement, including the State Specific Terms and Conditions, Agency Specific Terms and Conditions, Program Specific Terms and conditions and other standard clauses for all New York State grant contracts with DCJS. Applicable contract appendices and attachments are available on the DCJS website at:

<https://www.criminaljustice.ny.gov/ofpa/applcngntfrms.html>.

Minority and Women-Owned Business Enterprises (M/WBE) and Equal Employment Opportunity (EEO) Requirements (if applicable)

DCJS recognizes its obligation under New York State Executive Law Article 15-A to promote opportunities for the participation of certified minority-and women-owned business enterprises (M/WBEs), as well as the employment of minority group members and women in the performance of DCJS contracts.

Executive Law Article 15-A: "State contract" shall mean: (a) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars, whereby a contracting agency is committed to expend or does expend funds in return for labor, services including but not limited to legal, financial and other professional services, supplies, equipment, materials or any combination of the foregoing, to be performed for, on behalf of, or rendered or furnished to the contracting agency; (b) a written agreement in excess of one hundred thousand dollars whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; and (c) a written agreement in excess of one hundred thousand dollars whereby the owner of a state assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project."

As such, all contracts in excess of \$100,000 and some contracts in excess of \$25,000 require grant recipients to document good faith efforts to provide meaningful participation by M/WBEs as subcontractors or suppliers in the performance of grant contracts.

Accordingly, applicants requesting in excess of \$25,000 must be prepared to submit a Local Assistance M/WBE Subcontractor/Supplier Utilization Proposal Form (DCJS-3301), and a Local Assistance M/WBE NPS Discretionary Budget Determination Worksheet (DCJS-3309). All forms are located at <http://www.criminaljustice.ny.gov/ofpa/mwbe/index.htm>. For contracts between \$25,000 and \$100,000, DCJS staff will determine whether MWBE forms are required based on the nature of the project and items/services to be funded.

DCJS will review the submitted Local Assistance M/WBE Subcontractor/Supplier Utilization Proposal Form, Local Assistance M/WBE NPS Discretionary Budget Determination Worksheet, and Minority and Women-Owned Business Enterprises and Equal Employment Opportunity Policy Statement and advise the applicant of DCJS' acceptance once an award determination is made. For additional information regarding M/WBE requirements see also <https://www.criminaljustice.ny.gov/ofpa/applcngntfrms.html>. There are no points attributable to this component of the application.

Sexual Harassment Prevention Certification

As of January 1, 2019, bidders on procurements subject to competitive bidding in New York State, are required to submit a certification with every bid that states they have a policy addressing sexual harassment prevention and that they provide sexual harassment training to all employees on an annual basis. Pursuant to State Finance Law §139-l, bidders responding to a competitively bid Request for Applications (RFAs) must certify that by submission of their bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies its own organization, under penalty of perjury, that the bidder has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of section two hundred one-g of the labor law. Bidders that do not certify will not be considered for award; provided however, that if the bidder cannot make the certification, the bidder provides a signed statement with their bid detailing the reasons why the certification cannot be made.

In addition to requiring this certification for competitively bid RFAs, DCJS has included this requirement for all grantees receiving funds from DCJS. Grantees must provide certification that they have implemented a written policy addressing sexual harassment prevention in the workplace and that they provide annual sexual harassment prevention training to all their employees.

Therefore, all applicants to this RFA must complete the certification provided on the DCJS website and submit the completed certification as an attachment to the application in GMS. The

certification can be found here:
https://www.criminaljustice.ny.gov/ofpa/pdfdocs/sexual_harassment_prevention_policy_training_cert.pdf

The questionnaire and additional information are available on the NYS Office of State Comptroller website: <http://www.osc.state.ny.us/vendrep/>. Any not-for-profit sub-grantees must also complete a Vendor Responsibility Questionnaire.

IX. APPLICATION SUBMISSION AND REQUIREMENTS

A. Specific Instructions

Applicants may submit one (1) application that will include all proposed projects. Applications must be submitted using the DCJS Grants Management System (GMS).

B. Grants Management System (GMS)

Applications must be submitted to DCJS using the Grants Management System (GMS). First time GMS users should download the GMS Application Manual [here](#). If you need assistance with accessing and using GMS, please contact the DCJS Office of Program Development and Funding (OPDF) GMS Help Desk at (518) 457-9787. **The DCJS GMS Help Desk is available Monday through Friday between the hours of 9:00 am and 5:00 pm. However, applicants should note specific RFA submission deadlines.**

The following information is specific to this solicitation. For general guidance and GMS Helpful Hints see Appendix: *Grants Management System (GMS) Instructions and Helpful Hints*.

Submitting an Application in GMS

To submit a new application in GMS, log on to the system and click on “Project.” Click the “New” button at the top of the project grid. This will take you to a screen that says, “Select a Program Office.” Using the drop-down box, find and select the name of the program **Byrne State Crisis Intervention Programming (SCIP)**. Click “Create Project.” Your application will now be ready to complete.

Completing the Application

Applicants must complete the GMS registration to avoid any concerns with these automated systems. GMS signatory registration **must** be completed prior to the final submission of an application. Each application will consist of the following components that must be completed using GMS:

- Participant name(s): primary contact, fiscal contact, contract signatory.
- Contact information for all participating agencies or organizations.
- Answers to project specific questions.
- Project Budget.
- Project Work Plan.
- Any required attachments indicated in this RFA and noted below in the checklist.

When all the above requirements and GMS Application components are completed, click the “**Submit**” button. GMS will review the application for completeness. If any fields are missing, a report will display what remains to be completed. Once all fields are complete and you submit successfully, GMS will display a screen that states, “*Your application has been submitted.*”

Please note, this only indicates that your application has met the minimum system requirements. It does not guarantee that all required documents have been included or are complete/sufficient.

X. APPLICATION CHECKLIST

- All Applicants: Complete all DCJS Grants Management System (GMS) Registration Requirements – See Appendix: *DCJS Grants Management System (GMS) Instructions and Helpful Hints*.
- Complete all necessary contractual requirements as described in Section: *Administration of Contracts*.
- Ensure all Tier I and Tier II requirements are met.

Appendix: DCJS GRANTS MANAGEMENT SYSTEM (GMS) INSTRUCTIONS AND HELPFUL HINTS - See RFA for additional specific GMS directions.

First time GMS users should download the GMS Application Manual [here](#).

Persons familiar with GMS can use the following simplified guidelines:

Getting Started: Sign on to GMS.

Click "Project" to go to project grid. Click the "New" button at the top of the project grid. This will take you to a screen that says "Select a Program Office" in a drop-down box format. Find and highlight "Name of funding program," then click "Create Project."

This begins your application. You may work on the application, save, and return to it at a later time, except as noted below. **Note that GMS will time out after 30 minutes of inactivity.** That means that you should save your work frequently. Each save re-sets the timer.

In the newly created project complete the following Tabs which are listed across the top of the screen:

General - Complete the text screens and press save.

Participants/Contacts - Complete the text screens and press save.

Click on "Add Participant" and in the search prompt that appears type in your agency name. This should take you to a list, find your agency, and click in the blue section of your agency name. This will prompt a drop-down list that defaults to "Grantee." Click "Add." If there will be a separate Implementing Agency, repeat the process, choosing "Implementing Agency" as the Participant Type. In the event your agency is not listed, click the "New" button to add your agency to our database. Please complete all required information on the screen, including the Employer Identification Number (EIN) before you SAVE the entry. GMS will only allow one attempt then locks the entry to edits. Should you still need additional information added to the Participant record, please call GMS Help at (518) 457-9787.

Scroll to the bottom of the screen to add contact information. Click on "Add Contact" and in the search prompt that appears type in the last name of the person to be added. This should take you to a list. Find the person to be added and click in the blue section of the name. This will prompt a drop-down list that defaults to "Primary." Ensure you do this until you have added a minimum of three contacts: Primary, Signatory and Fiscal. If the contact you are attempting to add does not

appear in a search, click the "New Contact" button to add the contact to our database.

Note: If the signatory you attempt to add is not eSignature registered, you will get an error message and will not be allowed to add that person at that time. You will NOT be able to submit the application without a signatory attached. Please refer [here](#) to add a signatory for your agency.

Budget - See RFA for additional specific instructions.

Work Plan - In the GMS Work Plan Tab, enter the Project Goal, Objectives, Tasks and Performance Measures provided in the Standard Work Plan within this solicitation, unless otherwise instructed within the solicitation. Please note, the standardized work plans for physical security projects and cybersecurity projects are different. Please use the appropriate plan(s) for your project.

- ✓ Fill in the "Project Goal" text box and click "Save."
- ✓ Click "Create New Objective" and fill in the text box and click "Save."
- ✓ Click "Add Task to this Objective" and fill in the text box and click "Save."
- ✓ Click "Add Performance Measure to this Task" and fill in the text box and click "Save."

Questions-

Answer all required project narrative and budget information questions.

Hint: Answers should be developed in Word. GMS will time out after 30 minutes and unsaved material will be lost. Cutting and pasting from a Word document will prevent the loss of any work.

Attachments -

Click on "Attachment," and upload the required attachments for this solicitation. Note: Follow the instructions in the GMS User's Manual for Attachments; also, see screen instructions for accepted file types and advice on file names.

Remember: Failure to submit required documents will be considered the same as failure to meet the deadline for application submission. This may result in a non-award due to the application being untimely.

When all requirements are completed, click the "Submit" button. If any fields are missing, a report will display what remains to be completed. Once all fields are complete and the application is submitted, GMS will display a screen that says, "*Your application has been submitted.*" Please note, this is simply an indication that minimum system requirements have been met for submission. It does not suggest that all required documents have been included or are complete/sufficient. In addition, GMS will send an email notification to the Signatory official listed on the application to make him or her aware that an application has been submitted on your jurisdiction's or organization's behalf.
